

WSIB Student Declaration of Understanding

Workplace Safety and Insurance Board or Private Insurance Coverage Unpaid Student Trainees in Clinical Placements

Student Coverage While on Placement

Students of health sciences programs as identified by their university or college are eligible for Workplace Safety Insurance Board (WSIB) coverage of claims while on unpaid placements as required by their program of study. Private insurance will be provided should the unpaid placement required by their program of study take place with an employer who is not covered by WSIB.

Ministry of Training, Colleges and Universities ensures that students on work placements receive WSIB for placement employers who have WSIB coverage and private insurance for employers who are not covered by WSIB for injuries or disease incurred while fulfilling the requirements of their placement.

Declaration

I have read and understand that WSIB or private insurance coverage will be provided through the Ministry of Training, Colleges and Universities while I am on training placements as arranged by the university or college as a requirement of my program of study.

I understand the implications and have had any questions answered to my satisfaction.

I agree to immediately report any placement related injury or disease to the placement employer.

Release of Information

I understand that my personal information will be released to the placement employer in the event of a workplace injury or disease at the placement employer's workplace during an unpaid placement.

I understand that the ministry of training, Colleges and Universities, the college or university and placement employer will be required to release personal information with each other and to the WSIB or private insurance company.
