Teaching Pearls!

For a 5 minute refresher on clinical teaching, check out the 1-2 page free open access PDF articles "Tips Series" at this site from the University of Western Australia. [Click here to access.](#)

In a series of 14 articles, clinical teachers are primed on commonly encountered problems involving learners and patients in various settings. To quote the take home message from the first article, clinician teachers need to:

1. Be good clinicians
2. Be familiar with basic education principles
3. Evaluate your own teaching
4. Try new methods
5. Get feedback
